Experience

Hatcher Graduate Library, Clark Maps Library | *Library Assistant*

Ann Arbor, MI | 2020-Current

Managed and edited item metadata according to MARC standards using ALEPH. Created high-resolution scans of maps and other collection items on patron request using a Suprascan Digibook scanner.

Internet Archives | *Microfiche Packer—Books & Microfilm/fiche*

Ann Arbor, MI; Detroit, MI | July - November 2019

Assisted in oversight for packing of collections at Marygrove College library, which are now digitized and uploaded on the Internet Archive. Compiled a spreadsheet catalog of an extensive collection of 105mm, 35mm, 16mm microfilm, and fiche publications previously owned by ProQuest to prepare for digitization for general public access on the Internet Archive; pack and prepare collection for shipping and digitization.

Prime Research | *News/Media Analyst*

Ann Arbor, MI | May 2016 - May 2019

Monitored corporate, product, industry and competitor trends in the media for companies within the automotive, technology, and aerospace & defense sectors. Researched, analyzed, and compiled relevant media hits for daily and weekly news reports for clients. Wrote concise executive news briefings, which summarize the key highlights of the day. Provided real-time alerts to clients regarding breaking news stories within their industry and competitive scope.
